- Workshop on Introduction to Kotlin, GDF'23, Salem

Description

Experienced in community service, I have actively volunteered in numerous eye and medical camps organized by the National Service Scheme (NSS) during my time in both school and college.

Additionally, I served as the School Pupil Leader for three years, showcasing my leadership abilities and commitment to serving others. In college, I held positions such as Class Representative and Event Coordinator, where I organized and participated in various cultural events.

My natural abilities include strong soft skills, which I have further honed through certifications and practical experience.
